

## HEADMISTRESS MESSAGE OF FAREWEL TO STANDARD 7 STUDENTS

To all our incredible teachers, supporting staff, parents and to all our wonderful students of Joy's Millennium Academy. **"YOUR WORD IS THE LAMP FOR MY FEET"**. It is my pleasure to take this opportunity again to put into writing a few words to our Standard 7 graduates as they prepare for their national examinations and **FAREWELL**.

It has been just a week since we sat together and cheered you on your graduation day. That was because you deserved it. When I arrived at Joy's Millennium Academy you were in Standard 6. Outspokenly, it had been a privilege to see you grow as learners, develop skills and acquire knowledge in all areas of the school curriculum including spiritual knowledge.

We have thrilled in watching you grow during your time at JMA and each one of you is growing as an incredible person with full latent to achieve your dreams and to be who you want to be. Some of you have known each other since kindergarten through Standard 7. No matter how long you have been together, you have been delightful, bravery and strong team. We are so proud of you.

Your love and respect for your little ones, teachers and all staff will leave an indelible mark on us. You have shown a willingness to learn diligently. You have used the talents God given you in preaching His word, singing and praying. I watched you and rejoiced as you nourished us with the word of God every morning. You brought us good reputations every time you went out to pray at our neighboring churches. You have been a great model to the young ones you left behind. We will really miss you.

Together you are a remarkable group of pupils. You have growing together through all kinds of circumstances. Some may have appeared tough, but you figured out how to solve them. Each one of you is delightful, unique and interesting individual. You were filled with great discussion, sharing thoughts and sometimes lots of fun and laughter. All these were under the guidance of your lovely teachers Mr. Nyanda, Mr. Daud, Mr. Emmanuel, Mr. Peter, Mr. Lamarck without forgetting Pastor Enk, Matron Bibi and Patron Dennis.

Dennis, Emmanuel, Francesca, Sharon and Praise, I encourage you to have a strong work ethic when you board on this new chapter of your educational journey. The transition from primary school to secondary school is not an easy one, but with positive attitude and your faith in God, you will overcome all challenges as they come your way. Always remember this moto **"YOUR WORD IS THE LAMP FOR MY FEET"**.

It is also my responsibility to thank all the teachers and staff, who never gave up on you and journeyed with you beyond the classroom. I have personally witnessed several of them stood by you in your most difficult times without giving up. My sincere thanks to them!

I wish you great success and all the best wherever you go.

Goodbye Standard 7 2025.

Headmistress
